

## **Suzanne Gauci**

Suzanne Gauci is the Deputy Director within the CEO's office at the Malta Environment and Resources Authority.

Suzanne has a Bachelor of Arts and Masters' Degree in Geography from the University of Malta and a PgC in Environmental Management and Protection from the University of Staffordshire.

She has over 20 years of experience in International Affairs, specializing in the environmental and spatial planning sectors. She started her career working at the Planning Authority on Strategic Planning Policy, followed by posts at the then Malta Environment and Planning Authority in relation to EU and Funding matters. In her current position, within the Environment and Resources Authority, she is responsible for Public Relations, Communications, and Environmental Coordination, including EU Affairs, Funding, the National Environmental Policy, and the State of the Environment Report
